Anthony Gichia Kago : Before I say Yes I Do: Christian Divorce and how they affect christian families - Kenya before purchasing it in order to gage whether or not it would be worth my time, and all praised Before I say Yes I Do: Christian Divorce and how they affect christian families - Kenya:

Divorce or dissolution as it is increasingly becoming known, a legislatively created, judicially administered process

that legally terminates a marriage no longer considered viable by one or both of the spouses, and that permits both to remarry. Until the divorce reform movement of the 1970s began to have an impact, the legal doctrines governing divorce could be understood only by reviewing the long history of English divorce law, which was dominated by concepts of canon law. Through reading my work one will know what is need before one commits himself or herself into marriage
