Robert Berring, Marci Hoffman : Berring's Legal Research for the 21st Century:Adv Research 6-7: Interna Law and Foreign Law (VHS) before purchasing it in order to gage whether or not it would be worth my time, and all praised Berring's Legal Research for the 21st Century:Adv Research 6-7: Interna Law and Foreign Law (VHS):

Two video tapes, each approximately one hour in length, are a valuable addition to the Berring Legal Research for the 21st Century video series. They explain advanced legal research techniques; including the latest web-based research sources and strategies; in two of today's hottest, fastest-changing areas of legal research.
