Jeffrey Gaba : Black Letter Outline on Environmental Law (Black Letter Outlines) before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Letter Outline on Environmental Law (Black Letter Outlines):

1 of 1 people found the following review helpful. Good Study Aid By Carolin Pacheco My Environmental Law Professor used this instead of a casebook and I am glad he did! It has great outlines and summaries of the law. Understanding the statutes is easier after reading this book. However, this is merely a supplement - YOU HAVE TO READ THE STATUTES! 0 of 0 people found the following review helpful. Five Stars By Fran Cioffi Easy to follow and hits the highlights of the subject. 0 of 0 people found the following review helpful. but there's some good stuff inside By Eric Hillstrom Very wordy law book. A little difficult to understand, but there's some good stuff inside.

This outline summarizes basic black letter rules of environmental law. It outlines environmental law topics such as

approaches to environmental regulations, the National Environmental Policy Act, the Clean Water Act and Clean Air Act, and toxic substances. It discusses the complex intersection of law; sciences such as biology, geology, and engineering; and important economic, ethical, and social issues.
