Arguably the most valuable reference tool available to the legal community, Black's Pocket Dictionary provides more than 10,000 clear, concise, and precise definitions. The essential companion dictionary to the Standard edition and as a stand-alone tool, Black's Pocket Dictionary also includes a dictionary guide and the complete U.S. Constitution. Black's is cited more than any other legal dictionary, comes recommended by law faculty, and is available in the pocket format and a variety of other useful editions.
