Bryan A. Garner : Black's Law Dictionary, Pocket Edition, 4th before purchasing it in order to gage whether or not it would be worth my time, and all praised Black's Law Dictionary, Pocket Edition, 4th:

0 of 0 people found the following review helpful. Better than googleBy BroncoExtremely helpful when reading through depositions and motions. Already dog-eared after a couple weeks. Should have spring for the hard cover edition.1 of 1 people found the following review helpful. I used it twiceBy Ashley M.I used it twice and neither time did it have the word I was looking for. Considering that cases reference a ton of Latin phrases that are purportedly

common, this book has a serious deficiency for all of them. It might be better for when you're past your first year but I haven't found it useful so far. 0 of 0 people found the following review helpful. Just as expected, good value. By ColdShot
It came well padded, pages were intact, no marking. there was some yellowing of paper but not really a big deal

Considered the most valuable reference tool available to the legal community, Black's Pocket Dictionary provides more than 13,000 clear, concise, and precise definitions. The essential companion dictionary to the Standard edition and as a stand-alone tool, Black's Pocket Dictionary also includes a dictionary guide and the complete U.S. Constitution. Black's is cited by judges and lawyers more than any other legal dictionary, comes recommended by law faculty, and is available in the pocket format and a variety of other useful editions.
