Good pocket dictionary but a newer and more complete edition ...By EvelynGood pocket dictionary but a newer and more complete edition is recommended if you plan on really using it. In my case I bout it for a translating class that focuses on court interpreting/translating and I found that I could find about 2/3 of the vocab I needed, and had a hard time with the remaining, its a ok for the price but would have preferred

a newer version now that I have it and use it constantly.0 of 0 people found the following review helpful. I am still reading as it is a dictionary. ...By CustomerI am still reading as it is a dictionary. However, it has met my expectations and has surprised me with the everyday words in which we use has different meanings in this dictionary. People should read the book.0 of 0 people found the following review helpful. Awesome book I showed up in great conditionBy shane d johnsonAwesome book I showed up in great condition. I don't think it's the full version but I had enough info to get me going.

This newest addition to the Black's Law Dictionary Series is an easy-to-access and completely up-to-date version of the world's most trusted and authoritative legal dictionary. It is based entirely on the widely-acclaimed 7th edition of Black's Law Dictionary, and has been edited by Bryan A. Garner, the nation's preeminent legal lexicographer. This Second Pocket Edition packs more than 10,000 terms into a single compact volume that is easy to read and even easier to carry. It is the essential companion dictionary to the Standard edition, or as a stand-alone legal tool. Definitions are accurate, brief, and clear. Black's is more than a dictionary--it is a reference that defines, explains and amplifies legal meaning. Helpful extras in the second edition include a dictionary guide and the complete U.S. Constitution.

About the AuthorAcknowledged by linguists and lawyers alike as THE authority in legal language and usage, his influence is both far-reaching and profound. Mr. Garner has has a hand in editing the most important legal references produced in the last decade, as well as in training lawyers and judges on sharpening and clarifying their own legal writing. In short, no one better bridges the worlds of law and language--nor is better suited to take on the classic work and make it better.
