(author) Paul Bowen : Blackstone's Guide to the Mental Health Act (Blackstone's Guide) (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Blackstone's Guide to the Mental Health Act (Blackstone's Guide) (Paperback) - Common:

This new Blackstone's Guide provides the full text of the Mental Health Act 2007, together with expert narrative. The narrative places the Amendment Act firmly in the context of the 1983 Act, analyses its impact on the Mental Capacity Act, and discusses the human rights implications of compulsory detention and treatment by reference to key cases such as Bournewood, IH, and Von Brandenburg.
