From Blackstone Press : Blackstone's Statutes on IT and E-Commerce (Blackstone's Statute Book Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Blackstone's Statutes on IT and E-Commerce (Blackstone's Statute Book Series):

Designed specifically for students, Blackstone's Statutes lead the market in providing a carefully selected, regularly

updated and well sourced collection of legislation for the core subjects and major options offered on the law syllabus. Each title is ideal for use throughout the course and in exams providing the student with: - unparalleled coverage - unannotated primary and secondary legislation - new improved indexing and tables of content to aid quick and efficient research - up to date and relevant material - companion web site providing updates and web links

'this textbooks is a handy reference guide to the relevant legislation in the IT and e-commerce field... it is an excellent starting point and general reference for students, practitioners and occasional users alike.' Katrina Dick, Lawyer, Technology Media and Telecommunications Group, Lovells. 'This textbook is a handy reference guide to the relevant legislation in the IT and e-commerce field (sic.)...it is an excellent starting point and general reference for students, practitioners and occasional users alike...' Katrina Dick, Lawyer, Technology Media and Telecommunications Groups, Lovells. About the Author Steven Hedley is a Professor of Law at University College Cork, Ireland.
