**(author) P Mark Accettura : Blood Money: Why Families Fight Over Inheritance and What to Do about It (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Blood Money: Why Families Fight Over Inheritance and What to Do about It (Paperback) - Common:

What is it that drives people to wage war against their own flesh and blood? Veteran estate planning and elder law attorney P. Mark Accettura sets out to answer this question as he provides a comprehensive list of steps will makers, lawyers, and advisors can take to preserve the most valuable legacy of all: the family itself. Accettura's conclusions are aided by five years of research in psycholog...
