I like the photos to help you with visuals, not an extremely long book so you can get through this in a short amount of time if you are worried about length. I have gotten this book for other healers that are friends and they thanked me.6 of 6 people found the following review helpful. polarity experienceBy Uma KarthigesuUseful diagrams for those who wish to do polarity healing . Clear concise instructions to help new practitioners with their training.5 of 5 people found the following review helpful. Fun Book with valuable information!By Critic 73We have been enjoying this book and its' contents for 3 generations. I've lost count of how many I have purchased through the

years. Order one and share the information with your family. Bill
