Intendance Research and LPA : Brave New World: Impact of the Legal Services Act 2007 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Brave New World: Impact of the Legal Services Act 2007:

Essential reading for every member of the legal profession, Brave New World examines the impact of what has been described as Big Bang for the legal profession. Based on the results of two comprehensive surveys, alongside a detailed analysis of the findings, this report by Thomson Sweet Maxwell and Intendance Research outlines the implications presented by the Act for High Street and commercial firms, and for members of the Bar.
