**David Endicott, Andrew Jones : Brighthouse's Precedents of Wills** before purchasing it in order to gage whether or not it would be worth my time, and all praised Brighthouse's Precedents of Wills:

Updated with current legislation, this title helps practitioners draft wills in clear, succinct English. Precedents cover the full range of situations met in daily practice, helping to create reliable, sophisticated documents. Precedents are

presented in plain English. Includes practical advice on drafting. Supplies all the precedents on CD-ROM.
