The only text of its kind available, Business Law for Paralegals: A Hands-On Approach is a practical, application-oriented, business law text written specifically for the paralegal. The text emphasizes the daily tasks and

responsibilities of a paralegal involved in business law, and provides numerous examples and hands-on applications to illustrate key concepts. The text includes significant cases and their relevance to the topics discussed; examples of business organizational documents from letters of intent to the exploration of typical contracts; practical assignments based on real world problems faced by business people and attorneys; and a step-by-step analysis of the creation of contracts and the common clauses contained in them. Learning features include numerous sidebars addressing a wide variety of issues; end-of-chapter exercises; "Business Case File", which provides profiles of various businesses and how they negotiate, buy, sell, and carry out daily activities; and "Help This Business", a tool which presents a wide variety of typical business problems and the legal methods used to address those problems. Learning objectives, web sites for further research and discussion, case excerpts, and Paralegal Checklists appear in each chapter to further aid student comprehension of key concepts. This is a must-have resource for the paralegal student studying business law.
