S. Whittington Brown : Bundle: Legal Terminology + WebTutor on WebCT Printed Access Card before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bundle: Legal Terminology + WebTutor on WebCT Printed Access Card:

0 of 0 people found the following review helpful. My daughter's textbook By citygrl My daughter has really enjoyed this book for her class. It has up-to-date case studies and clear explanations. We are both pleased with this purchase.

This learning guide and reference tool written in a narrative format is a welcome change from the format of legal dictionaries. Over one thousand terms and phrases are arranged by subject within chapters, giving readers the chance to see the context in which they are used. Definitions have been written in layman's terms, and explanations are clarified through a host of examples. Paralegals, legal secretaries, court reporters, law students, and others in the legal

field will become more comfortable with their work by relying on this publication to develop a thorough understanding of legal terminology.
