Business Buyout Agreements walks you through the creation of a legal contract -- a sort of "premarital agreement" for your business -- that protects everyone's interests. This book will help you create documents to help ensure a smooth transition following someone's departure. Clarify: when co-owners can sell their interest. the circumstances when someone must sell. who can buy into the business. what price will be paid This edition of Business Buyout Agreements is updated to incorporate changes to estate tax law and discounts for small business valuation. Plus, it includes a complete business buyout agreement as an example. Forms are available to download at nolo.com.
