Charlotte Goldberg : California Community Property Examples Explanations before purchasing it in order to gauge whether or not it would be worth my time, and all praised California Community Property Examples Explanations:

1 of 1 people found the following review helpful. Great summary of the law. By Beth There aren't too many California Community Property example books out there and this one is by far the best I've encountered. Unfortunately, it's a bit pricey, but they all are ;). 0 of 0 people found the following review helpful. Great Resource By Handyman Ace I highly

recommend this to anyone taking Community Property. This is an excellent resource for better understanding of community property law.² of 2 people found the following review helpful. a great resource
By Emily Clark
The comp prop case book assigned for my course was almost unbearable. Thankfully my professor also assigned us this book, to help guide us through community property. This little book was a life saver - very clearly written, it lays out the black letter law and the gives examples and explanations it a manner that is very easy to internalize and understand. When I get closer to the BAR, this book and I will definitely start to spend some more quality time together.

Using the *Examples Explanations* pedagogy and FITS (Funds, Intentions, and Title) an original tool for understanding the complexities of California Community Property Charlotte Goldberg presents an effective and timely overview of California's community property system. FITS (Funds, Intentions, and Title) a class-tested, unique tool for determining, under California law, whether marital property is to be considered community or separate property. The FITS acronym helps students to understand the roles that funds, intentions, and titles play in characterizing property as either separate or community. The proven-effective Examples Explanations pedagogy combines straightforward introductions with well-written examples and explanations that apply concepts, reinforce learning, and test understanding of material covered. Meticulous treatment of joint titles and reimbursement, featuring examples thoroughly illustrating all possible scenarios, including retroactivity coverage of tangible and intangible property, such as businesses, educational degrees, goodwill, and pensions premarital agreements and recent amendments to the Premarital Agreement Act. Updated throughout and with many new examples, the Second Edition features: major developments regarding retroactivity of the Family Code affecting premarital agreements, fiduciary duty, and domestic partnerships. Several new cases clarifying premarital agreements and fiduciary duty. New case decision regarding celebrity goodwill. Coverage of Family Code 4 and 2640(c).
Designed and written for the needs of students, *Examples Explanations: California Community Property*, now in a *Second Edition*, combines the time-tested EE pedagogy with a class-tested tool of analysis that makes an enormous difference in the depth and quality of students understanding of California community property law.
