Mariana A. Hevia-Cockrell, Stephanie A. Richer : California Divorce: Plain and Simple before purchasing it in order to gage whether or not it would be worth my time, and all praised California Divorce: Plain and Simple:

1 of 1 people found the following review helpful. A must read for those preparing or thinking of divorce in Cali.By AndyThis book opened my eyes to what is ahead of me. There are a lot of good tips and great advice here. It will help you if you are lost, and best part is, the book encourages you to do what you can with out breaking the bank. It was a comfort for me to read this knowing there are things in the state of California that are unique to other states. I feel this

book gave me a stepping stone to jump forward to in my progress. Thank you!0 of 0 people found the following review helpful. Clear Easy ReadBy AmandaEasy to understand, clear advice, and a great resource for practical tips. Anyone contemplating filing his/her own divorce in California should look to this book to help ask the right questions.2 of 2 people found the following review helpful. Dont be afraid to do it yourself.By Trish SchackI had no idea that there were actually options,or so many of them! That was first on my mind in reading this book. Easy to read,funny even,makes the whole nasty process seem,well,a lot less nasty. This little gem of a book makes a do it yourself divorce feel like a totally feasible option,taking you by the hand and walking you through it,step, by "not as daunting as you might think" , step. Read it. Try it. It's not as challenging as you might be thinking with this great helper of a book in your back pocket.

Dont just do it yourself get it done. This guide is for couples in California who know they want a divorce but also know they dont want to spend any more time and money than they have to. California Divorce: Plain and Simple helps you figure out what you and your spouse need to decide, how a judge might view it, how you can take the law and apply it to your own circumstances, and then how to get it all down on paper to make it final. This guide uses simple language and easy steps to explain the law and process with a touch of humor to help you remember that this time in your life is not forever. Check the box and move on. A divorce in California does not have to be a trial by fire. Many couples have done their own divorce and you can as well. Keep your wallet, keep your sanity.
