LexisNexis Editorial Staff : California Nursing Practice Act with Regulations and Related Statutes: 2008 Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised California Nursing Practice Act with Regulations and Related Statutes: 2008 Edition:

4 of 4 people found the following review helpful. Strips out the CD of the California Nursing Practice ACT - Buy it from LexisNexis instead - better value By Ventura California Nursing Practice Act with Regulations and Related

Statutes: 2008 EditionThe publisher shows this book with an attached CD. I ordered from expecting that I would get the CD included as there was no comment that it had been stripped out.The books arrived without the CD, I wrote to explaining that I expected the books to come with the CD. ignored my email resent me 4 more books without the CD and charged me for 4 more books.So all this was a waste of time expensive and poor service by Far better to buy from LexisNexis.

Published in conjunction with the California Board of Registered Nursing, this is a must-have reference manual for California's nursing community, featuring all of the statutes and regulations governing nursing in the state. Coverage includes: Scope of Regulation, Nurse-Midwives, Disiplinary Proceedings, Nursing Corporations, Nursing Schools, Public Health Nurse Certification, Nurse Anesthetists, Nurse Practitioners, Clinical Nurse Specialists, Registration and Examination, Continuing Education, Denial, Suspension and Revocation of Licenses, and more! The book includes a comprehensive table of contents, a table of sections affected by new legislation, and a professionally prepared index.
