**David Pearl : Care Standards Legislation Handbook: Fourth Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Care Standards Legislation Handbook: Fourth Edition:

This fourth edition of the Care Standards Legislation Handbook presents all the legislation for those involved in the workings of the regulatory systems-and the appeals processes-for care services in England and Wales. The work has been substantially revised and expanded to provide an extensive and updated library containing the Children Act 2004, other key statutory provisions, the relevant recent statutory instruments, including the Day Care and Child Minding

(Suitability) (England) Regulations 2005, and a jurisdiction table.
