James O'Reilly : Careers in Administrative Law Regulatory Practice before purchasing it in order to gage whether or not it would be worth my time, and all praised Careers in Administrative Law Regulatory Practice:

This book is an essential resource for law students and lawyers interested in a career in administrative law. In the first half of the book, a national expert describes the field, and outlines your optimal entry strategies. The second half offers individual, personalized examples of the various career paths in administrative law, and details the demands and

rewards of each.
