**Sara T. Fry, Robert M. Veatch : Case Studies In Nursing Ethics** before purchasing it in order to gage whether or not it would be worth my time, and all praised Case Studies In Nursing Ethics:

1 of 1 people found the following review helpful. case studies in nursing ethicsBy B. PagliaruloI ordered it for my nursing ethics class. it's a good book, i recommend if it is required reading but i don't think it is necessary if not. there are other nursing ethics texts which are more suitable for learning the basics, theory, etc. However, the case studies are interesting and thought provoking, which is something unique about this book as opposed to standard nursing texts.0 of 0 people found the following review helpful. CheapBy Kindle CustomerBought the old edition to save money. Don't know if I'll actually need it. Ship fast and good condition. By the old edition and save yourself a lot of money.0
