...By CustomerFirst time ordering Casenote Legal Briefs and I'm really impressed. It doesn't replace reading but it sure
does help in a pinch and with difficult cases.0 of 0 people found the following review helpful. very helpfulBy
tonyajthis book is essentially getting me through intro to ip. the text book is so long tedious so this helps to sum
everything up.0 of 1 people found the following review helpful. this book has zero instructions just pure examples and
I ...By kishthis book has zero instructions just pure examples and I don't even know as a dummy to legal writing, how
am I gonna do my own patenting.

After your casebook, Casenote Legal Briefs will be your most important reference source for the entire semester. It is the most popular legal briefs series available, with over 140 titles, and is relied on by thousands of students for its expert case summaries, comprehensive analysis of concurrences and dissents, as well as of the majority opinion in the briefs. Casenote Legal Briefs Features: Keyed to specific casebooks by title/author Most current briefs available Redesigned for greater student accessibility Sample brief with element descriptions called out Redesigned chapter opener provides rule of law and page number for each brief Quick Course Outline chart included with major titles Revised glossary in dictionary format
