Casenote Legal Briefs Casenote Legal Briefs : Casenote Legal Briefs International Law: Keyed to Damrosch, Henkin, Murphy and Smit, 5e before purchasing it in order to gage whether or not it would be worth my time, and all praised Casenote Legal Briefs International Law: Keyed to Damrosch, Henkin, Murphy and Smit, 5e:

0 of 0 people found the following review helpful. These briefs are an absolute joke!By Derek P MartinI bought this book for my International Law class. I am a 3L and have bought many supplemental books in the past. This is the worst. It is VERY bare bones. If it has a case, the brief provides almost no insight. There are many instances where it lists the Concise Rule of Law, Issue, and Holding all with the exact same verbiage. Basically, it just says the same thing 3 times but with a "Yes" or "No" added in at the end. A friend from class bought this one by Aspen Publishers. It is Casenote Legal Briefs International Law: Keyed to Damrosch, Henkin, Murphy and Smit, 5eDo yourself a huge

favor and get the other one. This one plain sucks. 0 of 0 people found the following review helpful. It depends on what your professor considers important. By Yellsy This is pretty much a brief book for all the cases. If your professor places heavy emphasis on cases and you want a quick guide, then this is for you. However, if your professor mostly uses notes you can probably do without it. 0 of 0 people found the following review helpful. it's ok but needed more complement. By karinait's was good, but the explanation was not enough in my criteria,, this book has good case but I think need more.
