I wouldn't say these are absolutely necessary or will guarantee you an A, but they're definitely super helpful when you're trying to figure out if you're on the right

track. Plus the analysis section of the case briefs help give you a concrete example of how you should go about analyzing cases. 0 of 0 people found the following review helpful. I would recommend this book along side a hornbook. By Lauren S. This was very helpful when I was studying for my Torts final exam. I would recommend this book along side a hornbook. This will only help you understand the cases and law applied in them but it is not too in depth with each concept. Very basic, but still helpful. 0 of 0 people found the following review helpful. short summaries with the black letter law. you will actually have time to read it. By Kindle Customer a simple, easy to read summary of most of the cases in the book with the black letter law spelled out at the top. the shorter cases aren't in there and sometimes they simplify the cases to the point of being nonsensical, but overall it provides a nice buffer if you get behind on the reading. 3 hole punched, perforated pages, about the thickness of two legal pads, fold out 'quick outline' in the front.

After your casebook, a Casenote Legal Brief is your most important reference source for the entire semester. The series is trusted for its expert summary of the principal cases in your casebook.
