0 of 0 people found the following review helpful. excellent study aid By Lizeth Gomez excellent study aid. It is coded specifically to the book and gives you easy to see analysis
0 of 1 people found the following review helpful. Only Cases By Daviana Garcia This was a good reminder on what each case was about, but the information is not deep enough for most classes in torts. The definitions are very repetitive. Best part would be it follows with the textbook so it hits at least one key point for what you did in each class.
