While I didn't find out about this until the last couple weeks of the semester, I bought it the second I did and wished I had had it all semester! The "Rule of law" and "Fact summary" sections from each case made outlining a breeze. The outline in the front is perforated and tears really easily, so if you buy it used be sure it includes that as it was also very helpful during the final. I will be buying these for all my classes

in the future. A HUGE time saver!0 of 0 people found the following review helpful. FineBy CristinaIt arrived on time, the book is in good conditions, and it is good for getting the briefs but not for learning,0 of 1 people found the following review helpful. MsBy Sunnythe book is not the same as you described.You described torn book as very good condition. But i do not think so.
