0 of 0 people found the following review helpful. Best Case Notes Around!By Prime ShopperI've been using this line of case briefs for my entire law school career. This is my last book...and it's just as good as the rest.The briefs are layed out in simple and easy to understand English and give clear issues and rules. The outline of rules in the front is very helpful for boiling down the law into an easy to memorize format.Love this product. Would not attempt any course without it. Make sure the product you order is keyed to your actual case book.
