**Michael Zander : Cases and Materials: On the English Legal System (Law in Context)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cases and Materials: On the English Legal System (Law in Context):

1 of 1 people found the following review helpful. Good legal resource manual By Lee Fook Kay Aaron I am studying my Master of Law degree and find this reference very useful to me in learning the English legal system in particular in area of civil litigation procedure and its critics on the Woolf Reform. It is a must read book for all law students in

studying civil litigation in UK.

"(PUBLICATION FIRST MARKED AS OUT OF PRINT ON 20/10/03)(PART OF BUTTERWORTHS LAW IN CONTEXT SERIES)This new edition of Zander: Cases and Materials on the English Legal System takes account of all major legislative and judicial changes including reforms to the new civil justice process, the incorporation of the European Convention of Human Rights and developments in the area of criminal justice.Written by a respected author in this field, the book contains an expert collection of materials taken from a variety of sources and useful commentary also highlights issues particular importance.This book is a companion to Zander: The Law Making Process."

About the AuthorMichael Zander QC is Professor Emeritus of Law at the London School of Economics and Political Science.
