Routledge-Cavendish : Cavendish: Family Lawcards 3/e before purchasing it in order to gage whether or not it would be worth my time, and all praised Cavendish: Family Lawcards 3/e:

Cavendish LawCards are complete, pocket-sized guides to key examinable areas of the law for both undergraduate and PGDL courses. Their concise text, user-friendly layout and compact format make Cavendish LawCards the ideal revision aid for identifying, understanding, and committing to memory the salient points of each area of law.

'These spiral-bound beauties fit neatly into any handbag or large pocket and are an excellent starting point for any enthusiastic reviser. The books are concise and get right down to the nitty-gritty of each topic. In addition, the first section in each book highlights the fundamental concepts of law and sets the scene for key areas.'
