Kathi Linz : Chickens May Not Cross The Road and Other Crazy (but true) Laws before purchasing it in order to gage whether or not it would be worth my time, and all praised Chickens May Not Cross The Road and Other Crazy (but true) Laws:

1 of 1 people found the following review helpful. Laws to laugh atBy rainbowpromisesThis is a great book if you're teaching government. The laws in it are very funny - my classes have always gotten a kick out of it!0 of 1 people found the following review helpful. not worth the priceBy BonBonI read this book, i was looking forward to reading the crazy laws, but there wasn't that many. They only threw in a few and then talked about how laws are passed. I was disappointed, I got this book because i thought my kids would like it, but besides the pictures that you can't read on the kindle; and the few laws they mention. My kids were bored with this book in 10 mins.4 of 4 people found the following review helpful. Laws kids will love to laugh about!By Anne from BaltimoreThis is a picture book with 23 laws from around the United States that are still on the books, but are completely ridiculous. There is one law on each page with a picture to illustrate it. One example is that "Donkeys are not allowed to sleep in bathtubs. from Brooklyn, NY". There are also several pages which explain how are national and state governments work and how laws are made. It's a great book for Social Studies for 2nd/3rd graders.

It is against the law in Brooklyn, New York, for donkeys to sleep in bathtubs. In Idaho you are not allowed to fish while sitting on a giraffe. In California you must not keep slugs as pets. Yes, it's the law-says so right on the state or

city books. Some of the most ludicrous laws in the history of our country come to light in this funny and fascinating book for young citizens . . . citizens who have a special appreciation for the tyranny of silly rules.
