From Nova Science Pub Inc : Child Abduction Resources (Children's Issues, Laws and Programs) before purchasing it in order to gage whether or not it would be worth my time, and all praised Child Abduction Resources (Children's Issues, Laws and Programs):

Each year, there are over 58,000 non-family abductions and more than 1 million children reported missing. This is a

staggering number, but it doesn't include the other young victims, the sisters and brothers of those who have been abducted. These overlooked children suffer the loss of their sibling. Their lives are turned assunder, and family patterns are irrevocably changed. Additionally, when a child is abducted by a family member, the parent who has been left behind faces seemingly insurmountable obstacles.
