**Guy White : Child Custody A to Z: Winning with Evidence** before purchasing it in order to gage whether or not it would be worth my time, and all praised Child Custody A to Z: Winning with Evidence:

5 of 5 people found the following review helpful. Bring a WitnessBy C. C. ShellyVery interesting. My son is going through a child custody suit and this book has helped in labeling some of the child's mother's behaviors. Wish we would have had this book earlier, but fortunately we realized early on the need for solid evidence.Videos and audiotaping exchanges are important and are covered. We realized early on we needed to document and, as much as possible, have witnesses.Although I haven't quite finished the book, I've been hopping around, I have covered about

half, but thus far have seen nothing on emails or text messaging, so if it isn't in the book...this is important evidence. Just know to keep everything in their original form if possible. He shares some interesting cases. 2 of 2 people found the following review helpful. Best book I have read on custody so far without being too negative or too overwhelming or lacking details. By Angelo. Best book I have read on custody so far without being too negative or too overwhelming or lacking details. This is helpful, but be prepared to wonder if your lawyer is doing enough. Hadn't want to do a lot more to help your case and to encourage your lawyer to do more. 2 of 2 people found the following review helpful. Amazing! I wondered how anyone could give this book ... By Jo. Amazing! I wondered how anyone could give this book a negative review but now I think I might have figured it out. What if the people who gave negative reviews are bitter parents who "lost" their custody cases against their exes who got help from the author of this book?

Help! is the first word a parent yells when dealing with a child custody battle. Author Guy White cuts through and captures the essence of how child custody cases are won and lost. Child Custody A to Z navigates you through the flawed system of justice. Evidence is the most overlooked aspect of a child custody case. This book explains and addresses: How to choose an attorney, How to impeach court experts, How to gather evidence, How to expose a personality disorder, How to investigate your case. Child Custody A to Z is replete with case studies that tell the real story of the controversial game of child custody. There is no substitute for preparation. White reveals judges, attorneys and court experts for their bias and incompetence. The author takes you through the step-by-step formula for winning with evidence.

About the Author: Guy White is a forensic investigator and child custody consultant with 20 years experience. He makes his home in Scottsdale, Arizona where he operates his business and continues to impact lives.
