order to gauge whether or not it would be worth my time, and all praised *Child Custody Litigation and Settlements: Leading Lawyers on Establishing Successful Co-Parenting Arrangements and Educating Clients on the Trial Process (Inside the Minds)*:

Child Custody Litigation and Settlements provides an authoritative, insider's perspective on developing and focusing trial strategies with the child's best interests in mind. Featuring experienced partners from law firms across the nation, these experts guide the reader through creating successful co-parenting arrangements and managing client expectations regarding the trial process. These top lawyers highlight best practices for addressing paternity issues, understanding the essential parts of the fee agreement, and helping clients advocate for themselves in court. From analyzing the impact of recent trends on trial preparation to outlining the available methods of ADR, these experts offer advice for navigating the top challenges surrounding child custody cases. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this challenging legal field. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. William L. Geary, Owner, Law Offices of William L. Geary Co. LPA - "The Influence of Current Trends in Child Custody on Custody Trial Preparation" 2. James W. Evans, Attorney, Evans Family Law Group - "Creating Successful Child Custody Arrangements: Grooming Clients for Court, Setting Appropriate Client Expectations, and Entering into Alternative Dispute Resolution" 3.
