From University of Michigan Press : Child Support: The Next Frontier before purchasing it in order to gage whether or not it would be worth my time, and all praised Child Support: The Next Frontier:

There has been a revolution in child support law in the last half-century, fueled by escalating numbers of divorces and

children born to unmarried parents. This collection of essays examines the state of child support policy at the close of the twentieth century and the end of an era of far-reaching reform of the child support system.
