From Nova Science Publishers : Child Well-Being and Nonresident Parents (Children's Issues, Laws and Programs) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Child Well-Being and Nonresident Parents (Children's Issues, Laws and Programs):

The nation's future depends to a larger extent on its children's ability to develop into contributing adult members of society. This book discusses topics such as child well-being and the non-custodial father; child support enforcement and ex-offenders; and, parents in prison and their minor children.
