From Nova Science Pub Inc : Children and Disasters: Preparedness, Response and Recovery (Children's Issues, Laws and Programs: Natural Disaster Research, Prediction and Mitigation) before purchasing it in order to gage whether or not it would be worth my time, and all praised Children and Disasters: Preparedness, Response and

Recovery (Children's Issues, Laws and Programs: Natural Disaster Research, Prediction and Mitigation):

The Strategic National Stockpile, intended to provide the public with medical supplies in the event of a public health emergency, is woefully under-stocked with medical counter measures for children. This book examines existing capabilities that can and should be built upon to integrate children into preparedness, planning, response, and recovery.
