Jodi G. McMaster : Civil Interviewing and Investigating for Paralegals: A Process-Oriented Approach before purchasing it in order to gauge whether or not it would be worth my time, and all praised Civil Interviewing and Investigating for Paralegals: A Process-Oriented Approach:

1 of 1 people found the following review helpful. It met the requirement cheaper than the college bookstore. By Kristopher Nuttall The Headline says it all. It met the requirement for the class cheaper than what was being sold in the college bookstore.

Synthesizing the theoretical with the practical, this book presents topics in the same order in which they would be encountered in the real world. Assuming knowledge of core areas of law, and civil litigation, the book walks the reader

through the steps of the trial process, outlining the practical steps, and introducing the evidentiary concepts that accompany each item that must be investigated as they unfold. For practicing paralegals and law clerks, and those studying to become a paralegal.
