**Joseph E. Cordell : Civil War: A Father's Guide to Winning Child Custody** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Civil War: A Father's Guide to Winning Child Custody:

5 of 5 people found the following review helpful. Highly recommended to all men involved with divorce and custody issues By Midwest Book Review Civil War: A Father's Guide To Winning Child Custody by father-children relations lawyer Joseph E. Cordell is an exceptional reference for all fathers who find themselves struggling with or planning a

divorce from their mother of their children. As a "user-friendly" and informative guide detailing every issue with divorce fathers need to understand if they should are to effectively present their perspectives and requests to the court, Civil War gives its readers a comprehensive, easy-to-follow format for a progressive approach to their divorce trials. Civil War is very highly recommended to all men involved with divorce and custody issues, who wish for maximum influence and continuing involvement in their children's lives. 5 of 5 people found the following review helpful. If you need the truth...By Notrightbuy this book. My lawyer, with over 20 years of family law experience, has this book on her desk. It does not sugar-coat the issues and is written in as plain a language as possible. You will not get lost in legal terms. The author uses easily understandable examples to guide you through the legal process. Be prepared to read things you will not like, but when you reflect upon the advice, you will see he is right.

This book gives you clear, easy-to-understand tips on how to achieve the best results possible for your situation. It shows you how to fight to win. Comprehensive chapters walk you through every step of the divorce process, with special attention to the custody battle. You'll learn the meaning of legal terms, the process of divorce, how courts determine custody, and how to maximize your chances of victory at every stage.

Hits harder than a three-hundred-pound linebacker. Civil War isn't pleasure reading - it's a playbook." -- DadMag.com...frank truths about how lawyers and judges really behave, and what is likely to influence them...a 4-star resource. --Fathers Rights to Custody About the Author Joseph Cordell is founding partner and principal of the Cordell and Cordell law firm in St. Louis. The firm is the largest domestic relations firm of its kind in the Midwest. Cordell's practice specializes in fathers facing divorce and custody litigation, and the firm has handled literally thousands of such cases. Mr. Cordell is a former host of the popular radio program "Listener's Legal Line" and is a former chairman of the Family Law section of the National Lawyers Association. He is licensed in both Missouri and Illinois. Mr. Cordell's is also founder of DadsDivorce.com, the premiere Internet resource for fathers facing divorce and or custody litigation.
