Welcome for price alone By J. A. Lynn I wanted to buy this text as a gift for my son to prepare for the CLA exam and was floored by the cost. Then I saw this in used books and the reviews were all good. As a former teacher I am aware of the practice of making tiny changes in a text to bring out new and costly editions. This arrived quickly and in great shape. Hopefully after the prep program offered by his

Para Legal University he will be able to pass this exam for the CLA certificate. Then maybe his 3.9GPA Associate Degree might help him find a job in this field that has so far eluded him! 1 of 1 people found the following review helpful. LOVE IT!!! IT IS A MUST HAVE!!!By GennySEE MY REVIEW FOR: NALA's CLA/CP Study Guide and Mock ExaminationYou should purchase the NALA's CLA/CP Study Guide and Mock Examination to go with this book. You will get more material covered this way. Editions (as far as I have seen) do not matter. Its not about getting answers, because they are not going to just give the answers out. It is all about HOW the questions are WORDED... If you learn the material in class then you can apply it to this form of questioning and ace the test!
