From Ingramcontent : Clandestine Methamphetamine Labs, 2nd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Clandestine Methamphetamine Labs, 2nd Edition:

This problem-oriented guide for police addresses the problem of clandestine drug labs. Offenders manufacture a variety of illicit drugs in such labs with methamphetamine accounting for 80 to 90 percent of the labs total drug production. Accordingly, the problem of clandestine drug labs is closely tied with the problems associated with methamphetamine abuse. This guide is an essential tool for law enforcement to help analyze and develop responses to their local clandestine methamphetamine lab problem (2nd Edition).
