Oliver Houck : Clean Water Act TMDL Program: Law, Policy and Implementation, 2d (Environmental Law Institute) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Clean Water Act TMDL Program: Law, Policy and Implementation, 2d (Environmental Law Institute):

0 of 0 people found the following review helpful. Very well organized informative, though it may be time for an update. By Personal Best Very well organized informative, though it may be time for an update.

The Total Maximum Daily Load (TMDL) program is becoming a fact of life for many industries, the EPA, and state and local agencies. Make sure that you know all there is to know about the TMDL requirements of clean water legislation! This is the definitive guide newly revised and updated to include new chapters, information, and appendices.

About the Author Oliver A. Houck is a Professor of Law at Tulane University where he directs the Environmental Law Program. A graduate of Harvard College and Georgetown Law Center, he was an Assistant U.S. Attorney in Washington, DC, then General Counsel to the National Wildlife Federation, prior to joining Tulane in 1981. He has been published widely on the topics of water pollution, endangered species, biological diversity, and public interest law.
