0 of 0 people found the following review helpful. very good updateBy Dr. Freuda good update on the subject. the book has much of the original material and info plus new ideas and info occurring over the past few years. If you are involved with juvenile competency exams, this is a good reference to have on your shelf.2 of 2 people found the following review helpful. It's GrissoBy Dr. J. Davis MartinThis is an essential book for your library if you have ever been tasked to work in this area. Juvenile criminal law has a whole other set of laws and guidelines and if you are the hired expert, you need to know the area. This is a great addition to that expertise. And it's by Grisso, the leader in competence issues.
