**Charles J. Lewis : Clinical Negligence: A Practical Guide (Sixth Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Clinical Negligence: A Practical Guide (Sixth Edition):

Written in a clear and concise style, this new 6th edition of this popular and highly respected title has been fully updated to take account of the various important developments in legislation and case law that have occurred since the previous edition. Practical and accessible, it provides practitioners with a structured background to the law. This information is supported by numerous case illustrations, plus a large amount of highly valuable practical guidance on procedure. A 'must-have' title for all practitioners specialising in this complex area of the law.
