Enodare : Codicil to Will Kit before purchasing it in order to gauge whether or not it would be worth my time, and all praised Codicil to Will Kit:

0 of 0 people found the following review helpful. It was helpful. but I found as much information ...By Nelda Brangwin It was helpful. but I found as much information online while waiting for it as I did in the book. 1 of 1 people found the following review helpful. Three Stars By dreamer Very handy to have.

A codicil is a simple document that allows you to make amendments to your last will and testament. In most cases, the amendments made by a codicil are relatively minor. For example, they may seek to appoint new executors, make new gifts or release people from debts. However, in other cases, the amendments can completely change the nature of the will - such as where you change the identity of the person who will receive the residue of your estate. Codicils are fairly simple to complete and use. In most cases, they simply refer to the existing clause of the will that needs to be amended and specify details of the amendment that is required. Once the codicil is completed, it needs to be signed

and witnessed in accordance with the same strict legal requirements that applied to the execution of the original will. This self-help legal kit includes step-by-step instructions, detailed information and all the legal forms necessary to prepare your own codicil without the need or expense of engaging a lawyer. It also includes various examples of the changes that you might wish to make to your will.

About the AuthorENODARE, the international self-help publisher, was founded in 2000 by a group which included lawyers, entrepreneurs, business professionals, authors and academics. Our aim was simple - to provide access to quality business and legal products and information at affordable prices. Our publications provide customers with the confidence and knowledge to help them deal with everyday issues such as setting up a company, running a business, preparing a tenancy agreement, making a last will and testament and much more. By providing customers with much needed information and forms, we enable them to protect both themselves, their families and their businesses through the use of easy to read documents and forward planning techniques.
