Fiona Kendall, Kirsty Malcolm : Cohabitation. before purchasing it in order to gage whether or not it would be worth my time, and all praised Cohabitation.:

As cohabitation in Scotland increases, so too does the need for family and property solicitors to advise on its consequences. In response to the growing need for information on this subject for solicitors, Gavin, Inness Malcolm

have produced *Cohabitation*, the only dedicated title to concentrate on this topical issue from a Scottish perspective. Publishing in a portable hardback format, it is a thoroughly practical yet detailed account of the legal implications surrounding cohabitation. The book comes with an invaluable CD-ROM containing a broad range of style documents and writs, including a cohabitation agreement and style writs for the new civil partnership regime for use in daily practice.
