Suzan Herskowitz : Collecting Child Support Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Collecting Child Support Guide:

2 of 2 people found the following review helpful. Great ReferenceBy Rebecca MartoranoI think it is great how people are doing more and more for themselves without hiring high priced lawyers any more. Especially in this case where the money usually given to a lawyer could be money given to the child.I love the internet and books like this one because it gives parents a chance to handle their problems independently.
