Douglas J. Besharov : Combating Child Abuse: Guidelines for Cooperation Between Law Enforcement and Child Protective Agencies (Aei Special Analyses, No. 90-2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Combating Child Abuse: Guidelines for Cooperation Between Law Enforcement and Child Protective Agencies (Aei Special Analyses, No. 90-2):

Across the nation, there is a growing recognition that law enforcement agencies must play a crucial role in protecting abused and neglected children. Developed through a consensus-building process involving a nationwide group of law enforcement and child protective experts, the authors describes law enforcement agencies--in cooperation with child protective services--can channel their efforts within community-wide child protective efforts. This book discusses signs of and reasons behind child abuse, as well as the welfare system and social and individual responsibility.
