Lynn Lampert : Combating Student Plagiarism: An Academic Librarians Guide (Chandos Information Professional Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Combating Student Plagiarism: An Academic Librarians Guide (Chandos Information Professional Series):

This practical book introduces readers to the current issues facing today's academic reference and instruction librarians grappling with the growing problem of student plagiarism. The book provides up-to-date overviews of student plagiarism, examples of ways in which librarians can educate students through proven instructional techniques, collaboration approaches and outreach methods, and discusses common problems and questions librarians may encounter when incorporating current anti-plagiarism instruction into their instructional services. Topics include: role of the academic librarian in combating student plagiarism, discipline-based approaches to combating student plagiarism, information literacy techniques and faculty/librarian collaboration. Investigates the issues surrounding the growth of instances of student plagiarism. Discusses the academic librarian's role in combating student plagiarism. Recommends effective outreach techniques and instructional methods for preventing plagiarism.

The author cites a range of timely examples, not limiting herself to print but also including audio and video. devotes a considerable number of pages to a review of the academic library literature that provides a comprehensive overview for library school students and others who may be new to the topic. ...provides a professional foundation and multiplicity of approaches for teaching about and encouraging the ethical use of information., Portal: Libraries and the academy To faculty and university administrators, this book demonstrates the way that librarians can collaborate with them to combat plagiarism on campus., The Journal of Academic Librarianship is successful in providing perspective., Journal of The School Library Association About the Author Lynn Lampert currently serves as the Chair of Reference Instructional Services and Coordinator of Information Literacy and Instruction at California State University Northridge. She has published and presented nationally on information literacy trends and issues. She currently works with faculty and administrators on the development of university wide curriculum reform and development issues related to student information literacy skills attainment. Prior to joining the faculty at California State University Northridge, Lynn worked as an Information Specialist at California Lutheran University. Lynn received her Masters in Library Information Science and her Masters in History from the University of California Los Angeles in 1998.
