No work on international jurisprudence merited, nor received, greater praise from the jurists of Europe. It impressed English lawyers with the highest respect for the extensive learning of Mr. Justice Story. --J.G. Marvin, *Legal Bibliography* (1847) 670-671...[i]t is not too much to say that its publication constituted an epoch in the law; for it became at once the standard and almost the sole authority...[it also] received the honor of being practically the first American law book to be cited as authority in English courts. --Charles Warren, *A History of the American Bar* 545
