The law of trusts is a subject of considerable importance in the Commonwealth Caribbean. Traditional areas, such as

testamentary trusts, resulting and constructive trusts, and charitable trusts, are now fully incorporated into the mainstream substantive law of the region, while the principles associated with offshore trust regimes are constantly expanding and developing. This book has been updated to reflect new case law and legislation, and to highlight recent trends relating to both traditional and offshore trusts.

About the Author Gilbert Kodilinye is Professor of Property Law at the University of the West Indies, Mona, Jamaica. Sir Trevor Carmichael QC is the founder of Chancery Chambers, Barbados.
